

Walmart

30th Street

Please enter from the North, from 30th Street (between WalMart and JC Penney). Drive south through the mall parking lot behind the mall. If there is a line, we will again have somebody to direct traffic. If needed, we will form a serpentine line in the west JC Penney lot.

We will be handing out small sheets that list all items available. Please have a pen or pencil on hand so that you can fill out the sheet and hand it back to us. Also, please have exact change. We will be accepting checks as well as cash, and sales tax is included, to help simplify things.

We will have a person dedicated to handling cash, and not touching anything else.

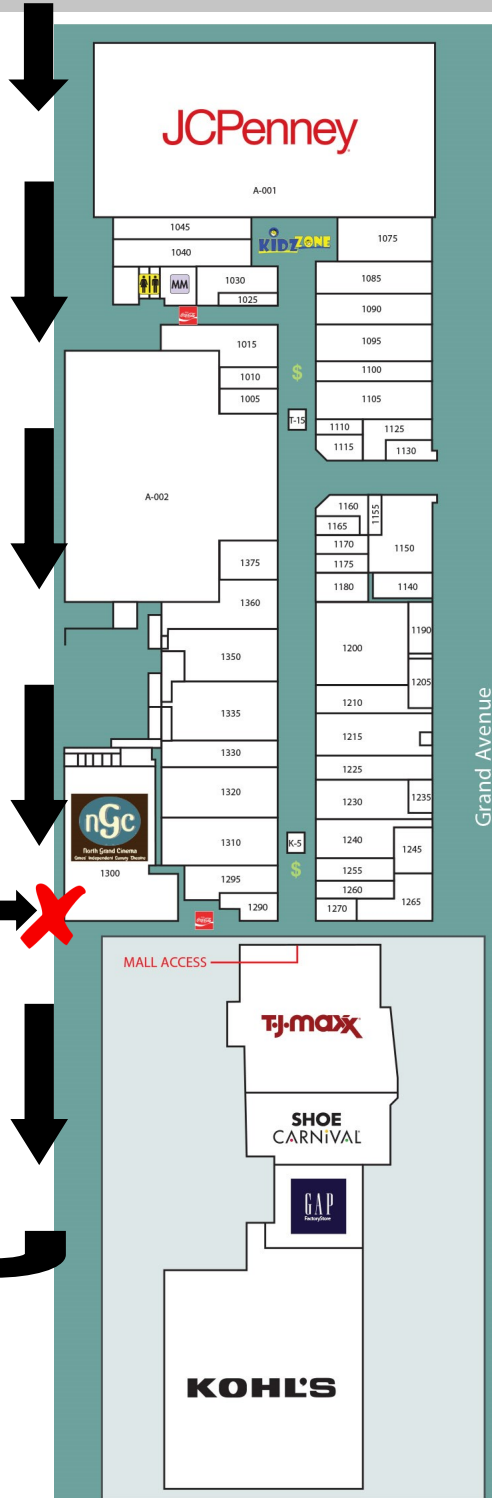

We will be wearing masks, to protect you. Please return the favor and wear a mask to protect us, too. We have promised parents that we will do everything we can to protect their kids. We would really appreciate it if you would respect this request.

Thank you!

You can exit here onto Ferndale.
