

SOP - Noncontractual Yard Signs

Xscape Theatres does not allow yard signs to be placed on our grounds unless a contractual agreement has been made with the advertising party and the use and placement of such signs have been permitted and approved by OPS.

If you discover a yard sign has been placed on or near the property that was not specifically approved by OPS, please remove and discard it.

If you are unsure if you should remove it, take a photo of the sign, show its approximate location, and email OPS with detailed information so they can provide proper guidance. (Subject Line = Theatre Name, Yard Sign, Date)
